Statement of Purpose

The venue mission statement - "To consistently be the perfect partner, through the provision of flexible gathering spaces by an award-winning team dedicated to delivering extraordinary fan and client experiences."

Angel Of The Winds Arena is committed to offering a diverse range of first-class quality entertainment, while providing exceptional customer service and giving guests memories to last a lifetime.

Angel Of The Winds Arena is the premier live entertainment facility in Snohomish County. With annual events spanning all genres, from family shows and sporting events, to concerts and trade shows, the venue serves an integral role in attracting visitors to local restaurants and retail, in addition to making downtown Everett a vibrant place.

Angel Of The Winds Arena is managed by Spectra Venue Management, an industry leader in hosting and entertainment, partnering with clients to create memorable experiences for millions of visitors every year. Spectra's unmatched blend of integrated services delivers value for clients through several primary areas of expertise: Venue Management, Food Services & Hospitality, and Partnerships.

Angel Of The Winds Arena -
Your Sports and Entertainment Xperience

LETTER FROM THE GENERAL MANAGER

On behalf of Spectra Venue Management and the staff at Angel Of The Winds Arena, it is my pleasure to present our 2019 Annual Report.

Spectra Venue Management continues to be a proud partner of the Everett Public Facilities District, bringing quality entertainment to the City of Everett, Snohomish County and the entire region. 2019 delivered the District's best financial results in its history, with Spectra hosting 320 events throughout the facility on top of Community Ice Rink programming. This attracted almost 430,000 guests which equates to a 5% increase in attendance over the prior year which had also seen substantial growth.

During my first full year as General Manager, we further developed our staff including a new sales department, increased revenue generation and operational efficiencies, and focused on providing great experiences to all clients and guests of the facility. There was a strong event calendar including perennial favorites such as Feld Entertainment's Disney On Ice, plus Live Nation's return to our arena with a sold-out Backstreet Boys concert, and Cirque du Soleil's first production in our arena since 2011 with the show Crystal.

Our relationship with our naming partner, Angel Of The Winds Casino, continues to be positive and prosperous and we were pleased to work with them on a Toby Keith concert that they promoted. The synergies and benefits of working together on productions will lead to future collaborations as was envisioned when the partnership was formed.

Angel Of The Winds Arena welcomed the WNBA Seattle Storm in 2019, as it became the team's secondary temporary home while they are dislocated from their normal venue. The community support showed to the Storm was amazing and it was an exciting challenge for our entire staff to prepare for their arrival.

The Everett Silvertips, our primary tenant, continued to excel on the ice with a 1st place regular season finish in the US Division during the 2018-19 season and a continuation of their streak of earning a spot in the playoffs for every year of the franchise's existence. The on-ice success was coupled with strong marketing and sales initiatives which led to continued increases in paid tickets, gross sales and attendance.

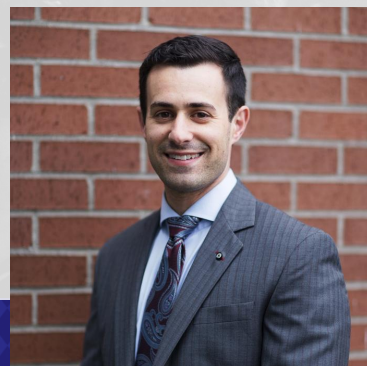

We made substantial investments into the facility to benefit our users, including the continuation of the retractable seating replacement project, a new Zamboni, and a new high-resolution outdoor marquee. These improvements added quality to the guest experience and ensure that the facility continues to operate at a high standard.

I would like to express my appreciation for all who have supported and promoted our efforts, including the Everett Public Facilities District, Mayor Franklin & the Everett City Council, Snohomish County, and local residents and organizations. The contributions and support of all parties was instrumental to the record success our facility had. The entire Spectra team looks forward to furthering the growth and success seen in 2019 at Angel Of The Winds Arena, the Edward D. Hansen Conference Center and the Everett Community Ice Rink in the years ahead.

Sincerely,

Corey Margolis
General Manager
Spectra Venue Management

LETTER FROM THE EVERETT PUBLIC FACILITIES DISTRICT

The Everett Public Facilities District is pleased to bring you the 2019 Annual Report. Once again working in partnership with Spectra Venue Management and Spectra Food Services, 2019 was our most profitable year to date. With his first full year as General Manager, Corey Margolis brought in a new fresh outlook to the building as well as new leadership.

There were many positive changes to staffing in 2019 which brought an energy we have been very pleased with. We have noticed an increase in ticket sales, revenue and client and customer experience. With Corey's leadership, we hosted quality entertainment bringing many new faces through the building in addition to our loyal patrons.

We continued partnerships with Angel Of The Winds Casino as well as our great tenant team, the Everett Silvertips.

Our commitment to Everett and Snohomish County is our top priority. With regular community partnerships and events from Taco Fest to hosting the Everett Police Department holiday party in the Everett Community Ice Rink to the many events we held in the Edward D. Hansen Conference Center, we've been able to support many aspects of the community in many ways.

Thank you to all that help this facility thrive, and with the momentum of 2019, we are looking forward to a successful 2020. In its 16th year, the facility continues to be an incredible asset and we will continue focusing on ways to provide value to our community.

Sincerely,

Gary Weikel, Everett Public Facilities District Board President

Everett Public Facilities District Board of Directors

Gary Weikel
President

Mr. Weikel has served on the Board since 2005. He retired after working for Snohomish County for over 20 years. He was the Snohomish County Executive Director from 1987-2001, Snohomish County Deputy Executive from 2001-2005 and the Snohomish County Special Project Director from 2005-2007. He has also served various organizations including as Chair of the Providence General Foundation Board of Directors, Vice President of United Way of Snohomish County Board of Directors, Vice President of the Washington State Labor Council, and as a member of the Providence General Hospital Board. Mr. Weikel is the Chair and Commissioner for Housing Authority of Snohomish County. Mr. Weikel's term expires on December 31, 2021.

Mike Dutton
Vice President

Mr. Dutton has served on the Board since 2015. Mr. Dutton is a Senior Vice-President and financial advisor with D.A. Davidson & Co with 36 years' experience in the finance industry. He received his Bachelor's Degree in Accounting from the University of Washington, and received his CWS (Certified Wealth Strategist) designation in 2011. Mr. Dutton's past public service includes serving on leadership boards for the Everett Community College Foundation, Everett Golf and Country Club, Healing the Children, Snohomish County Red Cross, Imagine Children's Museum and the Snohomish County Sports Commission. Mr. Dutton's term expires on December 31, 2022.

Michael Swanson
Treasurer

Mr. Swanson was appointed to the Board in 2018. Mr. Swanson is a lifelong resident of Everett, and has served as Vice President and Coastal Express Manager of Coastal Community Bank since 2014. Prior to joining Coastal Community Bank, he was Assistant Vice President and Branch Manager for Union Bank in Lake City and Lynnwood, Washington. Mr. Swanson graduated from Western Washington University with a B.A. in Economics/Political Science. Michael Swanson's past public service includes positions on the City of Everett's Board of Park Commissioners and Charter Review Committee. He has also been active with the Everett Boys & Girls Club since 2016. In addition, he has volunteered his time to assist the Economic Alliance of Snohomish County, United Way of Snohomish County, and Port Gardner Rotary. Mr. Swanson's term expires on December 31, 2023.

Everett Public Facilities District Board of Directors

Scott Murphy
Secretary

Mr. Murphy was appointed to the Board in 2018. Mr. Murphy has been a member of the Everett City Council since 2013. In addition, he is the President of Goldfinch Bros., Inc., a commercial and residential glazing contractor in business since 1892. Prior to joining Goldfinch Bros., he was a Vice President of Finance for Safeco Insurance Company of America, where he held a number of senior-level finance positions. Mr. Murphy graduated from the University of Washington in 1984 with a B.A. in Business Administration. He is a licensed CPA and is a member of both the American Institute of CPAs and the Washington Society of CPAs. Mr. Murphy's past public service includes service as President of the North Everett Little League and the Everett Public Schools Foundation, as well as Vice Chair for Big Brothers Big Sisters of Snohomish County. He currently serves as Board Chair for the Community Foundation of Snohomish County. Mr. Murphy's term expires on December 31, 2021.

Patty DeGroodt
Member

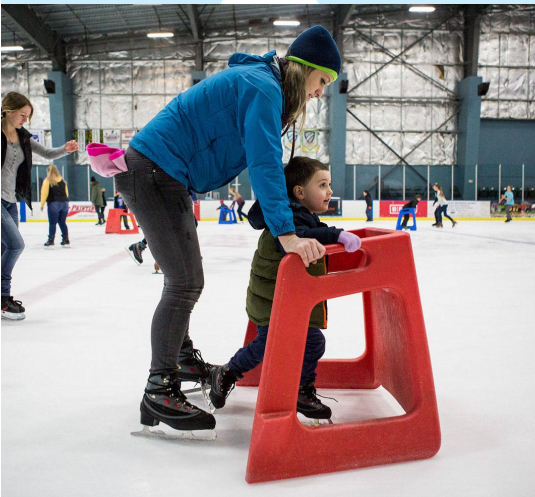

As a retired hospital executive, Ms. DeGroodt brings 40 years of experience in operations management, contract negotiations and strategic planning to the EPFD Board. She has worked in New Mexico, Alaska, California and Oregon. Working in these locations has provided her with a broad range of perspectives on the importance of public facilities and the role they play in creating a vibrant and exciting community resource. Ms. DeGroodt actively assisted in the permitting and building of the Providence Regional Medical Center Everett new tower (opened July 2011) working with City of Everett Commissions and City Council. Ms. DeGroodt's term expires December 31, 2020.

Facility Overview

ANGEL OF THE WINDS ARENA

Angel Of The Winds Arena is a 10,000-seat venue designed and developed by the Everett Public Facilities District and opened on October 4, 2003. Since that day, Snohomish County's premier sports and entertainment facility has entertained over six million sports fans, concertgoers, graduate's friends and family, music enthusiasts, and kids of all ages. Most recently, AOTW Arena served as host for Cirque du Soleil, Backstreet Boys, and the world famous Harlem Globetrotters. The arena is also the home to the Western Hockey League's Everett Silvertips.

EVERETT COMMUNITY ICE RINK

The Everett Community Ice Rink has hosted over a million people for everything from speed skating to birthday party celebrations. On average, 150,000 visitors come to the rink every year for everything from beginner learn-to-skate sessions to competitive youth hockey tournaments. Open year-round to the public, the Everett Community Ice Rink is an NHL regulation sized rink while offering the versatility to transform its 57,000 square-feet of space to host trade shows and special events.

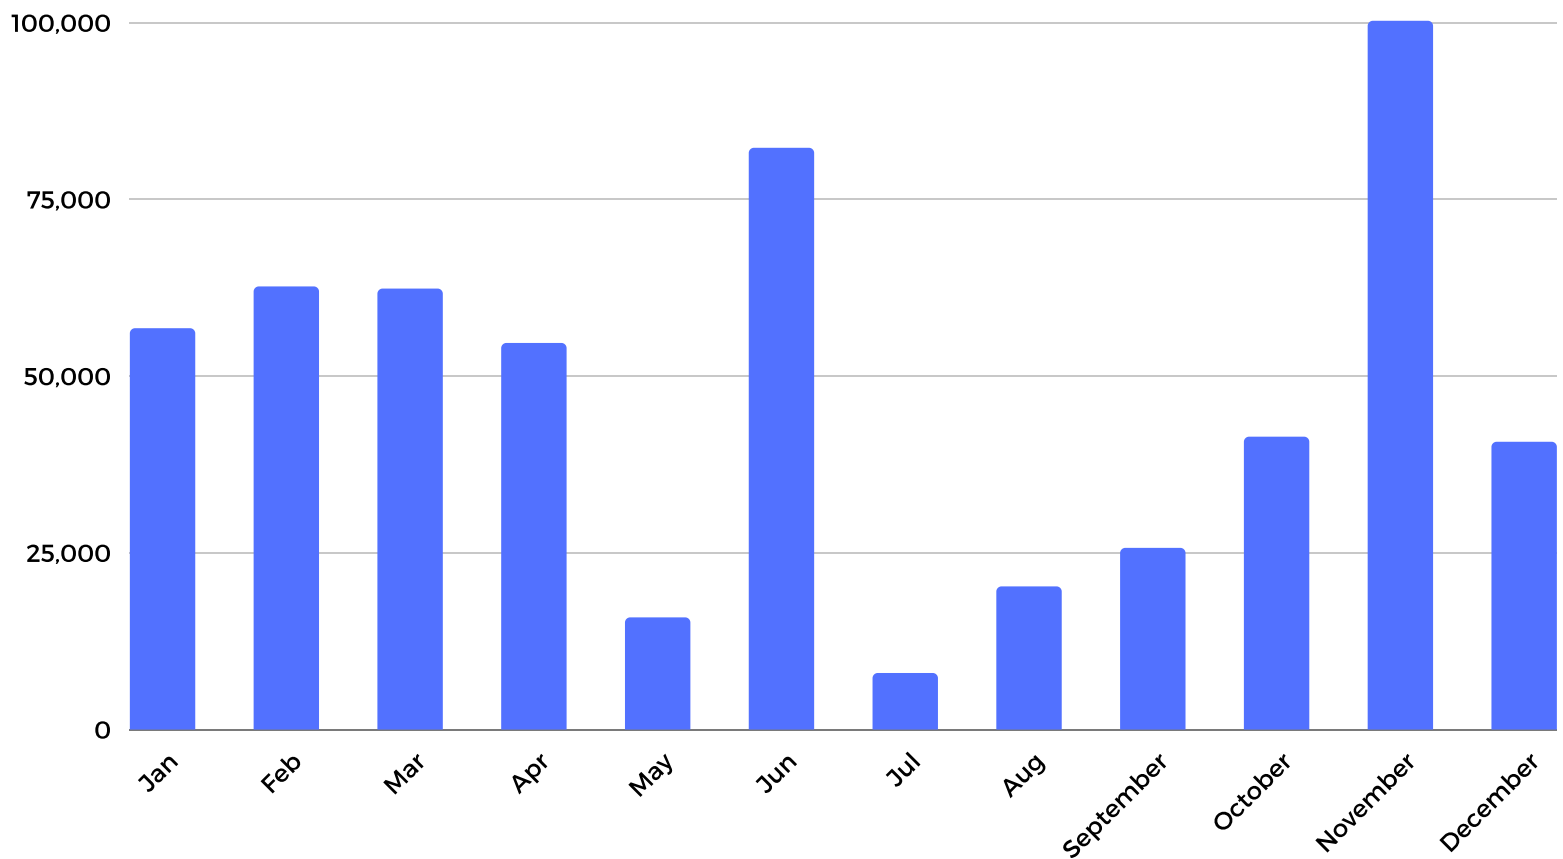

EDWARD D. HANSEN COMMUNITY CENTER

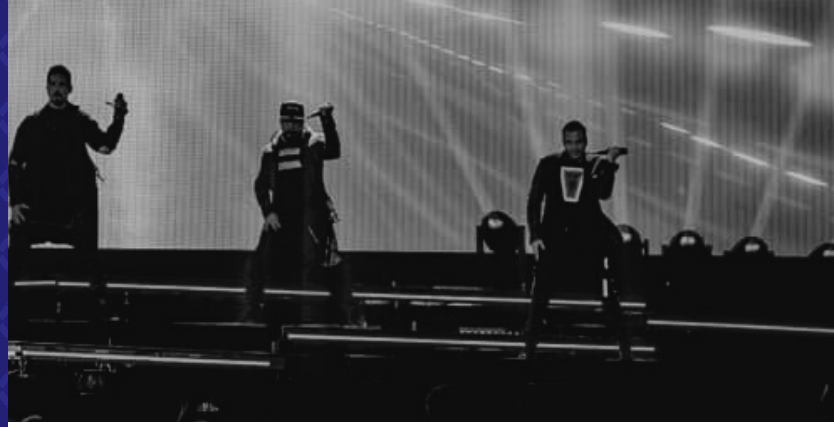

At 11,000+ square feet, the Edward D. Hansen Conference Center is capable of accommodating up to 800 guests. The conference center hosts approximately 200 events annually including many of the community's prestigious banquets and fundraisers. Local not-for-profit organizations such as Cocoon House, YWCA, Domestic Violence Services of Snohomish County, and Soroptimist International of Everett all held events here during the prior year.

2019 Accomplishments

New Local Vendors

Partnered with local vendors who connected beer and potatoes. Knutzen Farms based in Mount Vernon have a unique partnership with FarmStrong Brewing. In a traditional crop rotation, Farmstrong uses grain that is grown in the same field as Knutzen's potatoes. Using this Skagit Valley connection, we brought both the potatoes and beer to the arena to give our guests a local favorite to enjoy at a new baked potato cart.

Partnerships

Our partnership with Crown Distributing continued to strengthen with their support of Taco Fest, Elysian Brewing Beer Dinner, Pink the Rink, suite holder gifts and much more. As an active partner and sponsor they have assisted Spectra Food Services in the success of new events, new products and exposure for local breweries. One example is bringing a Hawaiian flare for the PNW with our 116 Rebrand highlighting Kona Brewing.

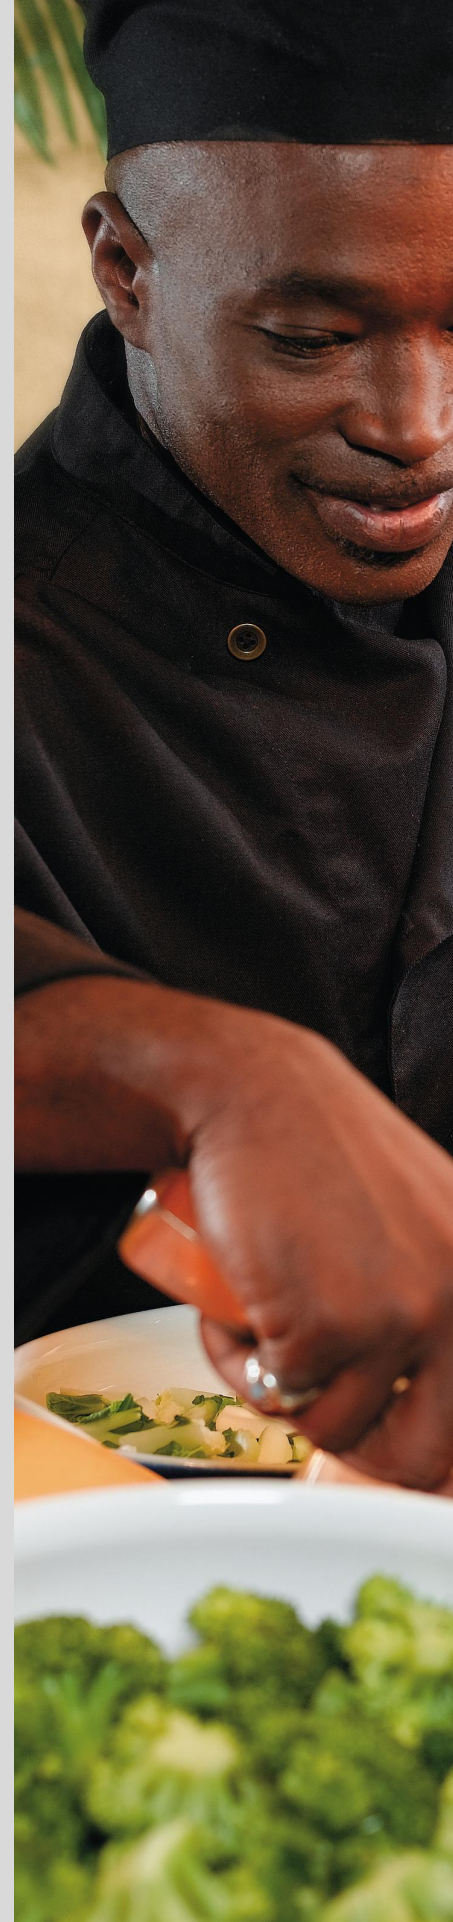

Concession Changes

Switching our BBQ Stand from the main doors to 105 created a quick service Concession Stand at the main doors showing guests our lines move quickly and helping the overall flow of Arena traffic to encourage guests to visit more stands.

Non-Profit Organizations

In 2019, First Presbyterian Church became a Non-Profit partner, in addition to our existing partners including several Navy groups, Knights of Columbus, and Cascade and Granite Falls High Schools serving in our concession stands. Their time and service here is now generating funds for a Mission Trip to South America. The money spent in the Arena paired with their hard work will assist in making larger ripples of change for people around the world.

Kathleen Vondrak
General Manager
Spectra Food Services

2020 Goals

- **Compostable Options**

Moving towards creating less waste, we will look at adding new food compostable containers for concession items, as well as trying to reduce our trash output by increasing using recyclable byproducts.

- **Technology Advancements**

Creating an Online Ordering process for our Suite Guests. In partnership with our current POS provider, ByPass, we will give Suite Guests the opportunity to directly place their order online. This will increase speed of service and assist in our customer relationships. As well as provide guests a new flexibility in their ordering process.

- **Staff Appreciation**

Further embracing and supporting Spectra's GREAT Program. Our staff deserves the recognition and support that the GREAT program can offer.

- **More Changes**

We strive each to year to deliver new items, changes and overall updates to provide a better experience for our guests. Due to Kayla Scofield's hard work, we will be rebranding all three 109 Concession Stands, providing an updated look and new options to our South Concourse. Other changes you will see will be small but improve speed of service, consistency and presentation.

Overall Review

Spectra Food Services has had the privilege of providing food & beverages services to the EPFD since October 2015. As we finish out our fourth season, I can reflect on the successes while taking pride in learning from our mistakes. We look forward to hosting new events bringing in more fresh new faces. We are grateful for the continued support of our Spectra Venue Management peers along with the relationships that continue to grow, creating a solid team.

We saw a lot of changes in management this year which resulted in our part-time supervisory staff rising to challenges. A year of changes can be difficult but when you have the support and consistency of staff that truly cares about the overall success of the building the likelihood of success increases. Staff is the backbone of our organization and there were staff members who proved their worth again and again this year. We as a team had many accomplishments from executing large back-of-house requirements, hosting new events and providing consistency to all areas of the Arena and Conference Center. We look forward to making more changes for improvement, completing our management team and tackling any new challenges that 2020 brings.

Community Involvement

- Sponsored Downtown Everett Small Business Saturday
- Employees donated their time to multiple community service events including Esther's Place holiday dinner and gift giving
- Paws for Cause artwork in the Everett Community Ice Rink promoting pet adoption
- Worked with Vet Tix to donate over 500 tickets to military veterans over the holiday season
- Donated tickets to multiple community non-profits including Domestic Violence Services, Campfire Snohomish County, and Everett Philharmonic
- Hosted many charitable events raising hundreds of thousands of dollars for local community organizations

Rachael Bowker, Group
Sales Manager at Esther's
Place Holiday Event

TESTIMONIALS

I just wanted to thank the sidewalk clearing staff for doing such a great job today! I walked in to the County from my home and it was the only place cleared of snow in my mile walk, and I was so appreciative. Thank you!

We raised over \$62,000 for our organization. Your staff really has a lovely system and such great customer service especially your wait and lobby staff.

Carlene, one of your guest services folks is an absolute sweetheart, although you probably already know that I wanted to send kudos.

Last night my spouse & I came to enjoy Musica. We were in a horrible car accident last year & I spent our wedding anniversary in a Nursing Home. We wanted to do something special & my spouse loves Cirque du Soleil, so I ordered tickets a couple months ago. We'd never been to AOTWA before & I didn't realize I'd still be having problems walking & got exhausted by the time we got there. My spouse got me a wheelchair & your staff not only got me seated, they came back afterwards to help get me out of the arena & out to our car.

We were both ever so grateful for their kindness & grace. Thank you for a great show also. Thoroughly enjoyed Musica!

I purchased tickets for Dec 8th Mannheim Steamroller show for my daughters & I & their new husbands!!

My daughters & I have seen Mannheim many times in person because I wanted them to experience how moving this music is. They ♥♥ it. I listened to Mannheim when I was pregnant with my both my children....and now I'm here with my oldest child and she is pregnant with her first child. So very special!! THANK YOU FOR YOUR MUSIC!!

We are in section 202. 3rd row.

FUTURE OUTLOOK

Spectra Venue Management is grateful for the opportunity to continue its partnership with the Everett Public Facilities District.

The Edward D. Hansen Conference Center will continue its success with bringing in new gaming events as well as supporting the community through non-profit events and fundraisers.

The Everett Community Ice Rink will continue to develop new courses, classes, and programs to keep growing usage.

The Everett Silvertips 2019-2020 season got off to a wonderful start and they are poised to continue their success both on and off the ice. Their front office team continues to lead the league.

With our strong leadership, fantastic staff, and success of 2019, we are excited for what 2020 will bring.

At the time of this report, COVID-19 caused a substantial detour from our planned events. Due to the restrictions, the Silvertips season was cut short, and Cirque du Soleil, Camila Cabello and other events were cancelled and the Cher concert was rescheduled. Management will continue to respond to the COVID-19 situation and mitigate impacts from it as well as to position the facility for long-term success.

THANK
YOU!
